Title of the practice	Conduct the Social Awareness Program on Corona Virus: A Practical update: Prepare, Manage & Prevent”.
a) Goal	The aim of organizing the webinar was to spread awareness among students regarding the current pandemic i.e., Corona Virus . The objective of the webinar was to help them deal with the problems they are facing due to the nationwide lockdown to restrict the spread of corona virus. The webinar was attended by nearly 150 students and faculty members of the institution. Along with discussions on issues and challenges, the webinar focused on solutions faced by them during the COVID-19 pandemic.
b) The Context	The College said that it plans to prepare a policy document concerning the interventions required for the students on the webinar. The principal assured the students and the faculty members that the varsity will ensure that difficulties being faced by them with respect to academic and other issues due to change in content-delivery methods are addressed with utmost sensitivity and commitment . He also addressed that there is no problem which cannot be overcome with proper support and accessibility.
c) The Practice	The R.S.D. ACADEMY has also released modified academic calendar for the 2019-2020 session. As per the new notification, the R.S.D. ACADEMY dispersed the online classes for the even semester on 1 st of April 2020 due to COVID-19 lockdown.

<p>d) Evidence of Success</p>	<ul style="list-style-type: none"> ▪ The Webinar has been conducted by the R.S.D. ACADEMY. In this, the College welcomed all the students and faculty members. The Webinar stressed on the importance of various issues raised during the discussion such as Children safety, children rights, vulnerability of children and uncertainty of the impact of Covid-19 and suggested to accept the everyday's changing environment and start learning to adjust in the new normal situation for children, parents and authorities and caregivers. The College also enlightened the participants about policy level issues and challenges such as Curriculum, modes of learning, ecosystem and emerging threats of mental health care of Children. ▪ The College also stressed upon the precautions to be taken by each every person during this pandemic, such as, wearing Masks, using Sanitizers, avoid going out of the home as much as possible, avoid gatherings, taking healthy diets and taking special care of their elders. ▪ <u>The College also distributed the Masks to the needy people to spread awareness and to ensure the safety. R.S.D. Academy is doing at its level best to make the society aware of this pandemic and we are sure that such type of initiatives will definitely help the society.</u>
<p>e) Problems</p>	<ul style="list-style-type: none"> ▪ A basic problem occurred while hosting a webinar which is the network issue. However, the college resolved that soon. ▪ Another problem occurred was with the attendees as all the students did not join the program due to lack of information about the program.

Title of the practice	Conduction of Workshop on ICT Tools & Skills For Faculty
a) Goal	<ul style="list-style-type: none"> ▪ A Workshop has been conducted by the R.S.D. ACADEMY to enable teachers become competent in innovatively employing the tools of technology to supplement their traditional teaching methods and thereby achieve enhanced student learning. ▪ Another aim of the Workshop is to improve the teaching resources available to the teachers and to promote sharing of resources between teachers.
b) The Context	We focused on the ways teachers would use ICT to enhance learning: i.e. research, communication, collaboration, innovative pedagogies and tools.
c) The Practice	<p><u>R.S.D. Academy</u> conducted a workshop on ICT Tools & Skills for the faculty to train them: College has organized the peer based training. This ensured that teachers are trained in the context of their workplace. The participants gained the key fundamentals and principles of ICT integration in the curriculum.</p>
d) Evidence of Success	<ul style="list-style-type: none"> ▪ This Workshop provided teachers with many hands on opportunities to explore and discover basic components of a computer and fundamentals of Operating system; how to use the computer to write (using Ms Word), solve mathematical issues (using Ms excel, and create presentation(using Ms PowerPoint). ▪ Several PowerPoint presentations and promotional videos were shown to teachers. The teachers explored the content of the video, discussed and learnt a lot from the best practices of innovative teaching from across the world.
e) Problems	<ul style="list-style-type: none"> ▪ The Workshop is very good but more time is needed for perfection purposes. ▪ Despite the internet problems, the teachers got a chance to practice what they had learnt e.g. editing profiles, uploading picture, joining communities and creating communities.
